Baseball Team Drops Game To Auburn Sunday

Exhibition Game is Slated In Reno Park During League Bye

The Truckee-Tahoe Mountaineers gave further evidence of the need for practice, long delayed because of foul weather, when they dropped a game to Auburn in the Placer-Nevada League series at Auburn Sunday 14 to 1.

The team looked better in the field but batting is still a weakness which can be overcome only through practice. Sunday the team goes to Reno during the league bye and will meet Threlkel's Cubs, one of the crack independents, there at Moana Field at 2:30 p.m.

Truckee's one run at Auburn came in the first inning when Faight singled and scored on Harvey Martin's double. Baxter also got a hit in the first inning but was caught out trying to make second. Faight hit again in the sixth for two for four. Art Williams also came up with two hits for four tries.

Frank Giovannoni pitched two and a third innings, allowed five hits. John Rau worked on the mound three and two-thirds innings, was hit four times and Crockett finished the game with four hits.

Alvari, Auburn third baseman, led his team at bat with two for three, including the first home run in Auburn's new ball park.

In the fifth inning Ruiz of Auburn was on second with a double. Lardner popped to Conners who threw to second, the ball hitting Ruiz on the head. He was momentarily stunned and was tagged out as he ran into center field.

	R	H	E
Auburn	14	13	2
Truckee	1	7	4

Moreno and Eden, Hansen; Giovannoni, Rau, Crockett and Martin, Korich.

Hobart Road Work Endorsed by Chamber

Realignment and reconstruction of State Route 89 from Hobart Mills to the Sierra County line was one of 58 recommendations for highway improvements in 19 northern California counties prepared by the state chamber of commerce's highway committee. These recommendations will be presented to the state highway commission in June.

Among the other recommendations are four-lane divided projects along Highway 40, Sacramento County line to Roseville, Newcastle to Auburn, and Applegate to Gold Run.

Floriston Women Greet Official of State Group

FLORISTON— Floriston members of Reno Review No. 1, Women's Benefit Association, entertained last Thursday with a luncheon at the home of Mrs. Clara Felesina in honor of Mrs. Leora Gonzalves, state deputy of the organization from Oakland. Tables were attractively set with snowy linens and centerpieces of white lilac and plum blossoms.

Those honoring Mrs. Gonzalves were Mesdames Carlotta Ohl, Dina Kniecke, Doris Redelious, Louise Curran, Lucy Riley, Mertie Zmak, Hilda Sarrazin, Nellie Harrigan and Julia Brown, of Reno, and the hostesses, Mrs. Margaret Craig, Mrs. Gertrude Seymour and Mrs. Felesina, of Floriston.

O. G. Alexander Named As 20-30 Club Delegate

O. G. Alexander was voted to be a delegate to the 20-30 Clubs convention to be held at Ely, Nevada, this weekend at the meeting of the local club held in Cozzi's Cafe Wednesday evening. Robert Leamon presided at the session devoted to discussion for civic improvement.

Unseasonal Storm Lashes This Area As New Snow Falls

The balmy, summer weather which had prevailed throughout the region for the past few weeks took a sharp setback on Sunday night when a typical winter snow storm, accompanied by strong winds and cold, lashed the Sierra.

Tire chains were required on all vehicles and the highway patrol reported the May Day storm compared with any experienced during the past winter. Old timers declare that early May snow storms are not unusual but that the one this week was more severe and longer in duration than is usually the case in mid-winter.

The storms since May 1 have brought 26 inches of snow to Truckee, with 1.87 inches of precipitation, William Curran, forest service weather observer, reports this morning. To date, since September 1, that has been a 287 inch snowfall here, compared with 230.50 inches to this date last season. Total precipitation for the season is 34.50 inches, compared with 25.59 to date last year and a seasonal normal of 27.38 to August 31.

There are 10 inches of snow on the ground here today, Curran said. Temperature range this week was from a low of 17 to a high of 60 degrees.

Storm at Tahoe

TAHOE CITY— By 8 a.m. May 1, overnight snowfall here amounted to six inches with .49 of an inch water content. The storm, drifting with heavy winds, was responsible for overtime activity by tow truck operators righting and returning chainless cars to the slippery roads.

In the week before, temperatures ranged from 60 degrees to 32 on April 27. Lake level Monday was 6225.46 feet.

LAZZARIS RETURN HERE TO OPERATE MORO'S STAR HOTEL

After spending 18 months in Reno, Mr. and Mrs. Pete Lazzari are returning to Truckee and will operate the Star Hotel on River Street.

The Lazzaris are leasing the establishment from Mr. and Mrs. John Moro who operated the popular place for the past 24 years. Moro was forced to give up work recently because of ill health and he and Mrs. Moro plan to move to Sacramento.

The new managers are not strangers in the hotel and restaurant business in Truckee, having owned and operated the Donner Hotel here for 16 years before going to Reno. The Lazzaris have been residents of Truckee for 35 years and both are well known here.

At the Star, they are now engaged in remodeling and redecorating but are prepared to serve Italian dinners which will be a specialty of the restaurant. At the Donner they became well known for the ravioli and chicken dinners and will continue to serve them at their new location. A wine and beer license is now in the process of being transferred to their names.

Tahoe Ski Club Banquet Scheduled Satd'y Night

TAHOE CITY— The Lake Tahoe Ski Club will hold its annual banquet at the Tahoe City Community Center Saturday evening, May 6, at 7 p.m. Admission to help offset costs will be $1 for adults and 50 cents for children. Admittance will be not only based on present or past year's membership but will include any prospective members or those interested in the ski club's activities.

O'Rourke Will Speak At Wyethia Meeting

Everett O'Rourke, superintendent of local schools, will be the guest speaker at the meeting of the Wyethia Club to be held in the club house tomorrow evening, May 5, at 8 o'clock. O'Rourke, who is an experienced speaker, will convey a message of interest to the members and their guests.

Joe Sanders of Sacramento was a business visitor in Truckee last weekend.

Changes Made By Board After Busy Meet Here

Questioned Policy Will Be Maintained Pending Legal Ruling

Decisive actiion by the Truckee Sanitary Board which is expected to end several weeks of internal differences among board members and officials came out of the meeting Friday night.

Among the decisions reached were:

1. The policy of collecting garbage in the Tahoe area will be continued as long as the district suffers no loss.

2. Because of the "Little Hatch Act", the resignations of T. T. Buell and Heslin Cardinal, both state division of highways employees, were accepted. The act prohibits state employees from holding elective positions.

3. Fred Morris, former district superintendent, who resigned that position at the meeting, was appointed to fill one of the vacancies and was named board secretary at a salary of $100 a month. His salary as superintendent had been $330 a month. This office was abolished.

All members of the board, H. H. Hodson, Joe Mattos, Dave Rose, Buell and Cardinal, were present at the meeting which ended in harmony after all members agreed to cooperate in the best interest of the district.

Immediately following the meeting, Morris announced that Garing McGee, driver of the garbage truck, will be replaced by Tony Mayer. McGee terminated his services Saturday and the new man took over Monday.

Legal Opinions

During the meeting, correspondence was read from T. L. Chamberlain, Auburn attorney, concerning the legality of the driver collecting garbage from outside the district. The letter stated that it was Chamberlain's opinion that the district could do so. Chamberlain said that he had conferred with District Attorney Vernon Stoll and that while they did not share the same opinion, they will seek the advice of the attorney general. In the meantime, the collector will continue the present policy of collecting outside the district but only when such service is requested by the customer.

Morris, who has served as superintendent since the sanitary district took over the work from the Truckee Public Utility District, asked that he be relieved of the job, effective immediately. He agreed to serve as secretary and will direct the work of the district under orders from the board. This includes building and collecting fees, overseeing repair work, and he was given authority to employ and discharge employees of the district. He also resigned as assessor for the district, a vacancy which will be filled in the future.

Dump Fees

Morris outlined the operation of the garbage dump. It was decided to set prices for dumping privileges at the following rates: for small trailers, 50 cents, pickups $1, ton and a half trucks $2.50. Present customers of the district will not be charged for dumping privileges.

The board passed a motion to enforce Section 6520 of the Health and Safety Code which specifies that all property owners in the district must connect their houses and drainage disposal systems to the sewer and to use the garbage collection and disposal system.

It was pointed out at the meeting that all official action by the board must be taken by a majority at a meeting, with no member authorized to take action personally.

Morris advises local residents and business people to call him at 333 in event they have trouble with garbage service.

Repair Home—

Don Ryan has completed installing a new foundation under his home and has added imitation brick siding to make the place most attractive.

Carter Fishing—

George Carter of Nevada City was a weekend fishing visitor in this area.

Sun Beams

by Walter M. Barrett

Much favorable comment has been earned from the two new highway signs at the east and west approaches to Truckee asking motorists to drive carefully through town and protect the children. The signs, installed by the Rotary Club, are timely. In the spring of the year, children are inclined to overlook the dangers of speeding traffic and will often dash out into the streets without caution, having childish confidence that all drivers are safe and sane. Too often the latter is not the case but by constantly reminding the drivers as well as the children of the danger, serious tragedy may be averted.

The problem of stray dogs is being taken up by the Parents and Teachers Association with an aim to ending a situation which is becoming a nuisance. Recently one little girl was attacked by a dog on the elementary school grounds. Others have been bitten from time to time as well as being intimidated by stray animals. Parents are justly ired over the matter and hope to find a solution. Dogs are rightfully named "man's best friend" but when they are allowed to run night and day without supervision, they can soon become hazards and cease to be pets.

TRUCK SKIDS INTO PARKED BUS ON SUMMIT HIGHWAY

The unseasonal storm during the past week resulted in several motor vehicle accidents, the California Highway Patrol reports.

The front end of a school bus, operated by Harry Eaton of Truckee, was mashed in on Tuesday morning when it was hit by a Lang tank trailer near the summit. Eaton had parked the bus to assist a stalled motorist blocking traffic, when the tanker, driven by Oscar H. Morris, 54, Sacramento, came over the summit. The driver applied brakes and the trailer jackknifed into the bus, which was not occupied.

Monday at 1 p.m. Mr. and Mrs. Frank D. Stuart, Garden, Oregon, suffered minor injuries when their car was hit by a PIE truck driven by Jack Hanna, 39, one mile east of Rainbow. Hanna was cited by Patrolman T. F. Sheehan for being on the wrong side of the road.

Carol Jack Briant, 40, San Francisco, was injured Monday morning when his car skidded three miles east of Cisco and overturned. Patrolman Roy Stallard investigated.

Four people suffered minor hurts Monday at 5 a.m. when a car driven by Fred Arnett, 35, Marysville, ran into the rear of a Richfield Oil tanker driven by William Peterson, Sacramento, near Kingvale. Arnett, Cleo Clark, 25, Yuba City; Ruth Sturgeon, 17, and Ruth Shoemaker, 17, both of Marysville, suffered minor injuries. Stallard is investigating.

District's Schools Plan June Joint Graduation

Outdoor exercises are being planned for the graduates in the high and elementary schools of the Tahoe Truckee Unified School District on June 17 at 2 p.m. at the Episcopal Outdoor Chapel at Tahoe City.

The program is being worked out by the faculties and students of the five schools in the district.

The purpose of the combined graduation, it was pointed out, is to bring the schools and people of the district together to culminate the first year of activity under the unified system.

Details of the exercises will be announced later.

Follett Promoted—

Mr. and Mrs. S. Follett have learned that their son, Marion Follett, who has been employed at the Bank of America at Colfax has received a promotion and is going to be located at Ukiah.

Visitors in Utah—

Mr. and Mrs. V. L. Deaton spent several days in Utah this week.

Women Jailed In Brawl After One Is Badly Beaten

Case Called "Most Brutal" By Local Officers Investigating

Two Portola women are being held in jail and a third is under treatment in a Portola hospital as the result of what local officers said was one of the most brutal beatings they have investigated.

The injured woman, being treated for a fractured jaw, numerous bruises and abrasions over her entire body, is Mrs. Leota Shroyer, 45, wife of a Chilcoot, Plumas County, section worker.

Charged with beating her to near death, stealing her car and other valuables are Mrs. Patricia O'Brien, alias Ashford, 43, and Miss Billy Townsend, 27. Mrs. O'Brien was held in the Truckee jail and Miss Townsend is held on a federal charge of taking a stolen automobile across a state line in Lovelock, Nevada.

Mrs. Shroyer told Constable N. F. Dolley and Deputy Sheriff Fosten Wilson that she and her alleged assailants left Portola on Sunday. They drove to Truckee after having a number of drinks. After an argument, a fight started, the officers were told. The two took Mrs. Shroyer to a point off the Hobart Mills road near Truckee where, she said, they beat and kicked her unmercifully, built a fire under her and drove away in her car after taking her clothes, watch and diamond ring.

Mrs. Shroyer walked to Highway 89 and was brought to Truckee by a passing motorist. She was later removed to Portola by ambulance.

She told Dolley and Wilson that the two other women beat her with their shoes and rocks and kicked her after she was down. She said she pretended to be dead in order to get them to stop the onslaught. Her hair was singed and her jacket burned from a fire which, she said, the pair started before they left her.

Mrs. O'Brien, who had been employed as a tractor driver by a lumber company, returned to Truckee. She was arrested by Dolley and Wilson. Miss Townsend continued on east and the highway patrol was called to stop the car. A Lovelock officer took the suspect into custody and she is reported to have confessed her part in the affair.

The preliminary hearing before Justice of the Peace R. N. Little is pending the return of Miss Townsend.

ASSESSOR TO VISIT HERE NEXT WEEK FOR THREE DAYS

Representatives of the Nevada County Assessor's office will be in Truckee on May 9, 10 and 11. They will establish headquarters at the Truckee Public Utility District office here. Property owners who have problems pertaining to their assessments may discuss them then and there.

War veterans entitled to assessment exemptions are warned that they must again sign the necessary affidavits for this exemption. This should be done during the assessor's visit to Truckee next week.

Legislative Program AAUW Meet Topic

Miss Ruth Dodd will be the guest speaker at the dinner meeting of the AAUW to be held at Lakewood Lodge at Homewood on Tuesday evening, May 9. Miss Dodd will talk on "State Legislative Program." The affair will convene at 6:45 for members of the organization and their guests. Mrs. Ray Scott will preside.

Travel to Yosemite—

Mr. and Mrs. David Anderson and daughters went to Yosemite Park last weekend.

Guests from Reno—

Mr. and Mrs. Robert Bowers and Mr. and Mrs. Carl Stevens of Reno were guests at the 20-30 Club dinner party, given for 30 members and their ladies in Donner Summit Lodge on Saturday evening.

Fishing Reported Good As Lakes In This District Open

Before the storm broke, fishermen got in two good days of fishing on the three lakes which opened for the season last Saturday and while the catches were not sensational, they were better than average.

Scores of boats dotted Donner and Tahoe but daytime winds kept most of them near the shores and most sportsmen confined their activities to piers and banks.

So far as could be learned, only one or two kokanee were hooked at Donner Lake. Fishermen believe the cold water is keeping them on the bottom and anticipate better results within the next few weeks as the weather warms. The ice has been off Donner only two or three weeks.

Boca Reservoir also brought poor results although a number of fishermen tried their luck there on opening day.

The mackinaw at Tahoe were hitting good for the deep trollers and a number of local fishermen reported catches. In the Rasco pool, Vern Shattuck came out first with a six pound mackinaw numbered among the three he caught Saturday. He was closely contested by William Curran, whose largest trout weighed five and a half pounds, and Jim Leamon, who also hooked one of equal weight. Erving Waters caught four, the largest being five pounds.

Other successful local anglers were Mary Zunino, who caught three, one of which went five pounds; Nat and Frank Quilici and Bob Seibold returned from Tahoe with four big mackinaw, although the rough water caused some seasickness to the anglers.

Pike Boehm's eight-inch mackinaw took consolation honors.

Streams in the area open May 27th.

Pythian Sisters Stage Initiation Ceremonies

The Pythian Sisters of Summit Temple 79 held an initiation on Thursday night, April 27, with the following candidates being initiated: Honore Hedlund, Dolores Curran, Wanda Berg, Helen Archer and Eileen Schuler of Truckee and Mary Stark of Tahoe City.

There were nearly 50 members present, who enjoyed a beautiful and impressive public drill put on by the degree staff, which consists of 12 Sisters under the supervision of Pearl Heller. Alberta Nelson sang a solo. Following the ceremonies, the members went to the Sierra Tavern for refreshments, music and entertainment.

Plans have been completed by MEC Mildred Coffey for the public box social to be held May 12. The next Thimble Club party will be held May 23 at the home of Mary Edwards with Marjorie Anderson as co-hostess.

Lions Discuss Baseball, Initiate New Member

A discussion on the baseball season, with emphasis on the need for funds to repair the park and other incidental expense featured the meeting of the Lions Club last night. R. N. Little and N. F. Dolley, ball club directors, led the discussion.

James Walker of The Toggery was inducted as a new member. B. W. Reynolds presided.

7 Travelers Treated Car Gas Poisoning

Seven members of a Fort Collins, Colorado, family were treated here Monday night for what was believed to be carbon monoxide poisoning and taken to a Reno hospital for further examination.

The seven, Mr. and Mrs. Lambert J. Rivera, the former's mother, Pauline, and four children ranging in age from eight months to four years, drove to the Riverside Hotel and reported being very ill. The Truckee ambulance was called and all were taken to Reno. The eighth member of the party in the old model closed car, who was driving, did not become ill and his name was not learned by Constable N. F. Dolley, who investigated.

H. F. Droste Of Tahoe Expires En Route Home

Was at Lake 35 Years, Long Active Leader in Civic Affairs

This entire region and particularly Lake Tahoe suffered an irreparable loss Tuesday evening when Henry F. Droste, 69, succumbed to a heart attack while en route to his Tahoe City home.

Following a trip into Mexico and a visit with his two daughters, Mr. and Mrs. Droste started for the lake. Learning of the heavy storm over the summit, they decided to stop for the night at Monte Vista. Mrs. Dorste had gone into the cabin and her husband drove the car into its parking place and shut off the motor preparatory to joining Mrs. Droste when he was stricken.

Droste, secretary for many years of the Lake Tahoe Sierra Association, had been under treatment for some time for a heart ailment.

The deceased first came to Lake Tahoe 35 years ago from San Francisco as attorney for the Bliss interests in the Lake Tahoe Railroad and Transportation Company. He became attached to the region and later entered the real estate business there. He devoted much of his time and efforts to the development of the region and was considered one of the most active civic leaders of the region. He was on the Governor's water resources committee and worked diligently for the interests of home owners and businessmen of the lake.

Although he maintained a home in Oakland, Droste spent most of each year at his Tahoe home and always kept his vote there.

He was an accomplished pianist, having studied abroad.

Surviving, beside his wife, Ruth, are two daughters, Mrs. Patricia Walker of Lafayette and Mrs. Carol McCandless of Orinda. A third daughter, Mrs. Janet Rowell and her husband were killed in an airplane crash in the Carribean three years ago while on their honeymoon trip.

Funeral services will be held this Thursday afternoon at 2 o'clock at the West Mortuary in Colfax. Cremation will be at East Lawn in Sacramento.

LANG DRIVER DIES IN HEART ATTACK ON HILL TUESDAY

Hugh Theodore Smith, 31, a driver for the Lang Transportation Company, succumbed to a heart attack on Donner Summit Tuesday afternoon at about 12:15. Smith's truck had become stalled during a snow storm and he had installed skid chains, preparatory to resuming his trip. He died after remounting to the cab, halting traffic for half an hour.

He is survived by his wife and a daughter in Sparks. The body of the Sparks man was taken to the Truckee Colonial Mortuary, pending final arrangements.

Legion Will Sponsor Baseball Program

Truckee Post 439, American Legion, voted Tuesday night to sponsor an independent baseball team this summer. The team will be fielded with the understanding that it will in no way conflict with the Placer-Nevada League team here either as to players or schedules. The main purpose of the project, according to Earl Stice, who made the proposal at the meeting, will be to provide a practice organization for potential talent and to include players who are unable to participate on a full-schedule team. Stice was named business manager and Hermann L. Owens coach.

Plans were also discussed for the annual Memorial Day program here and for providing a color guard for the first Placer-Nevada League baseball game here.

PTA Members Will See Health Movie Monday

The Truckee PTA will meet on Monday night, May 8, at 8 o'clock in the elementary school. A movie on health will be shown and refreshments will be served by a committee composed of Mrs. E. L. Loynd, Mrs. Harry Barnes and Mrs. I. Firpo.

Return Home—

Mr. and Mrs. Tom Sheridan and Charles Sheridan have returned to their home at Long Beach after a week's visit at the Don Ryan home here.

Entertains Group—

Mrs. L. D. Nelson was hostess on Monday evening at a turkey dinner and card party for 14 young matrons who meet each month.

Summit Scene

by FRAN COUILLARD

Peg Travis goes and returns from Mountain View where she visited her children and helped participate in Schools Week in that area. James (Bud) Horak keeps the road hot between Donner Summit Lodge and Rio Linda as he awaits the birth of their second child. Bill Rutherford of Ice Lakes takes a trip to Stockton and brings back his mother who is resting comfortably at Donner Summit Lodge. Elmo Moriano and Olaf Ager of Beacon Hill travel to San Farncisco for a week of business. Kay Jansen of Soda Springs Ski Corporation follows them down for the same reason. Wanda and Virgil Misener make a harried and sad trip to Bakersfield to attend the funeral of Virg's little nephew. John Carl mourns the theft of his car, taken from his front door step. Eula Sherritt plans a trip to Oakland.

Donner Community Club had their first meeting of the year at Donner Trail Elementary School house with new president, Lola Schull presiding. Fifteen dollars was donated to the Cancer Fund in memory of the late George Fraley, one of the club's first directors. Glen Parsons deplored the Highway 40 racers who go around the school bus as it stops to discharge its small passengers. The rest of the evening was given over to the youngsters who put on demonstrations of their prowess in art, literature, science and music.

Soda Springs Ski Hill starts celebrating this new batch of snow with their first Soda Springs Annual Spring Ski Race. Two days devoted to this event will give trophies to the youngsters on Saturday and the adults on Sunday. Open to all.

The banquet at Squaw Valley last Thursday evening which marked the Far West Ski Instructors' school days was a huge success and the large dining room was filled with ski enthusiasts. Soda Springs' Edvi Aro took top honors as the new president. Soda Springs' John Johansen also drew an office. All who attended from this area say the meet was the best they had ever had and give thanks to Aleq Cushing for his hospitality.

Fishing enthusiasts who tackled Donner Lake opening day were Tony Donadio, John Carl, Bert Barber and Toivo Aro, that we know of. A paradox that day—skiing on the Summit, fishing in the lakes. Funny country, and now we have more snow May 1.

A great many change of address cards go through the local post office as ski clubs bar their windows and doors and bid goodby to skiing for another six months. Among these was Pat Migues, custodian for the new Santa Cruz Ski Club. Before he left we took a meander around the club with him and were amazed at the set up in this hidden away club which sets back among the trees at Soda Springs. Bunks for 40. A huge living and dining room that looks bare though it holds four divans, a table capable of seating 30, a piano and other pieces. The wall between the kitchen and living room can be opened up so that the place becomes a cafeteria at meal time. Plenty of lavs, plenty of showers. Plenty of enthusiasm among the members. Pat told us that this club house had its foundation pouring on the 4th of July, that it opened for business Christmas weekend and that the members did the work. A fireplace and the utilization of the basement for a rumpus room is planned by the members as this summer's project. Pat stated that at least the club was finally anchored in one place for they have retned places in Yosemite, Highway 50 and elsewhere, but chose this area as the skiing spot in the country. Another skier to leave our midst is Lee Links who is off for Chili where he can still ski in the summer. Maria and Jack Patten take off on a belated honeymoon which is to last all summer, and what a vacation they've planned! Spearing fish in Baja California. Maria, Jack and Elko, the dog, take off in their jeep for uncharted places.

My Place In the Sun

by DOUG BARRETT

Vern Shattuck has booked a program for May at the Donner Theater deserving of more than passing mention.....with three Academy Award pix.....The Heiress, All the King's Men and 12 O'Clock High.....plus some better-than-average horse operas, comedies, adventures and romances to fill out the bill.....George Carter, once-sheriff, up from Nevada City for the opening of fishing season on Satd'y, warmly greeting Joe Sanders, one local game warden, up from Sacramento.....Henry Loehr over the mountain on a snowy May Day to attend a meeting of the board of supervisors.....Charlie and Pearl Heller Sunday moving into the apartment atop Cabona's .....Bob Johnston giving the public a view of his broad back Friday night.....as he perched in the jewelry store window painting the trim in a rich spring green..... The "STOP" sign at the west Church Street approach to the Freeway was sheered off at the base a bit back and lies under the snow.....but it stiill behooves you drivers to come to a full stop before going up on the highway..... look left and right and left again .....at the Truckee Colonial Mortuary.....if you need a reminder.... Bud Owens says he's going to send a bill to the State Controller for that hour of his the state wasted Sunday when we switched to daylight saving time.....a lot of church goers go caught short..... Reported more under the weather than the rest of us this week are Carrie Preston and Kenny Foster .....Bill Porter sorting boards and building shelves at the antique store.....while spouse Pat sets in the sun on the front porch.....remember, last Saturday the sun was shining.....

Peter and Val Lawler leave the mountain and Peter's place as Ski Ranch instructor for San Francisco. Vic Anderson of the Summit Sport Shop sends us a nice engraved notice that he is now connected with an insurance firm in San Francisco. Bud and Barbara Zorich take off a few days for Plymouth, Calif., to visit Barbara's folks.

Ernie Tshopp, busy writing up rules and regulations for a kids' ski club in the area, takes time off to look out his window at the snow which is holding him up in his building program for the summer. John D'Arcy and his mother, Thelma, plan on leaving after the present storm for Berkeley for the summer. Saw Jean and Charlie Buttlar, formerly of Big Bend Inn, at the Soda Springs Hotel last Sunday having themselves a nice visit. Bud Walton of the Ski Ranch said last Sunday was the last one for his place for this skiing season.

Nine-vear-old Kit Schull, the youngest member of the Donner Summit Racing Club, copped top honors in the Ski Ranch's final weekend slalom for the season, besting Larry Dangel of Viking and Steve Cannon of Kirksville, second and third. Peggy Miller, Marysville school marm, won the women's event with Ruth Griffin of San Mateo second and Marles Rau Olsen third. Bud Walton presented the top placers with silver belt buckles.

Answering the wild goose cry, Jerry Hiatt, activities director for Sugar Bowl, leaves to resume his studies at Denver U. while Emile Allais and Dodie Post plan to leave Squaw Valley soon for Chili, where winter begins in June.

NOTICE to Property Owners

For the benefit of property owners in the eastern end of Nevada County who have questions or problems pertaining to their assessments, we will be at the office of the Truckee Public Utility District in Truckee May 9, 10, 11.

Veterans

desiring to sign exemption certificates may do so at that time.

Truckee Elementary School News

GRADUATION

—by Marilyn Shafer

The eighth grade boys and girls at the Truckee Elementary School have decided to have their graduation at Tahoe City on June 17. The girls have chosen pastel colors for graduation. The boys will wear slacks and sport coats.

In the club at school, we decided to go on a swimming party and picnic at Moana on June 7. On June 12 we will have our banquet.

A BIG SUCCESS

—by Joan Ward

Last Friday night, April 28, Tahoe Truckee High gave a dance. Everyone enjoyed himself. We were warmly received. I hope that in the coming years we will all get better acquainted. We of the eighth grade wish to thank everyone woh helped make the party a big success.

KNOW YOUR NEIGHBOR

—by Lois Grey

Your neighbor this week is Irene Goicoa. Irene was born at Reno on October 20, 1936 and now lives at Boca. She is in the 7th grade, has brownish red hair and brown eyes; is 5 feet 1 inch tall. Her favorite subject in school is arithmetic. Irene is the youngest of three children. He favorite sports are swimming and baseball. Her hobby is dogs. She likes popular music best of all. When Irene grows up she wants to become a housewife.

OPEN HOUSE

—by Bill McClain and Ray Dixon

Thursday, April 27, mothers and fathers came and visited the rooms. Mr. Welch's room filled out an outline on the county officials. Lois Grey was chairman and Ruth Osburn did the wrting. All of the children gave information to put in the outline. Mr. Kishbaugh's room acted out a play and recorded it on the wire recorder, playing it for the parents. Then the children did folk dancing and recited a poem. In the afternoon, tea was served to the visitors.

SOCIAL STUDIES PROJECT

—by Ernest Towler and Marie Osburn

The 7th and 8th grades have been busy on social studies. They are studying county government and have put an outline on the bulletin board on the subject. They have written to the Nevada County clerk asking for information about county government and have recived a folder containing much information they needed.

PERSONAL NOTES

—by Ruth Osburn

Two lucky people in the Truckee Elementary School went fishing opening day and got some. They were Kenneth Osburn, who caught his fish at Boca, and Chester Chaney, who caught his at the fish derby in Reno.

Marilyn Shafer and Elizabeth Smisek spent the weekend in Reno.

Girls working in the cafeteria this week are Joan Ward, Louise Love and Marilyn Shafer.

Dorothea and Varien Frey went to Sacramento.

Over the weekend, Carson City was visited by Donna Barnes and Placerville was visited by Caren Knoefler.

The 3rd grade is having a community in relation to the farm in social studies.

HEAR ABOUT AUSTRALIA

—by Sharon Pace

Mr. Kelly went into the 3rd and 4th grade room and told them some facts about Australia. Ray Roberts, Olivia Dugan, Jim Harriss, Bill Schrom, and Jesse Rablin wrote a story called "Life in Australia," based on information in their readers and from Mr. Kelly.

AIRPLANES

—by Louie Ramirez

Mr. John Brineger visited the 5th and 6th grade room on April 26. He talked about airplanes and explained how to control them. They enjoyed his talk very much. They are still working on a miniature airport. They have quite a few aircraft.

RED CROSS DRIVE OVER THE TOP IN TAHOE REGION

TAHOE CITY— Mrs. Phil Geier, chairman of the Red Cross drive for the north Lake Tahoe area, reports that the drive extension proved profitable and that the $1050 quota had been surpassed. Expressing her thanks to all who contributed to build the fund up to $1,102.47, Mrs. Geier especially thanked Mrs. Audrey Welch of Kings Beach for her thorough coverage of that area.

Mayhews Up—

Dr. and Mrs. William Mayhew followed the May 1 storm up the mountain to open their Ward Creek Cottages for the summer.

Attorney for Plaintiffs

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA No. 9593

PETER LAZZIER, also known as PETRO LAZZARIO, also known as PETER LAZZAIR, also known as PETE LAZZARI, and EDITH LAZZARI, his wife, Plaintiffs,

vs.

MARGARET JOSEPH, MRS. SARAH ANN CHROME and MRS. MARGARET HAMILTON, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants

SUMMONS

Action brought in the Superior Court of the State of California in and for the County of Nevada, and the Complaint filed in the office of Clerk of said County of Nevada.

WM. J. CASSETTARI
Attorney for Plaintiffs
Grass Valley, California

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: Margaret Joseph, Mrs. Sarah Ann Chrome, and Mrs. Margaret Hamilton, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto,

DEFENDANTS

You are hereby notified that an action has been commenced against you in the above entitled court by the above entitled plaintiffs for the purpose of determining all adverse claims to and clouds upon the title to all that certain real property situate in the Town of Truckee, County of Nevada, State of California, particularly described as follows:

Lots One (1) and Two (2), in Block "D", of the Town of Truckee, according to the official Map or Plat thereof, filed in the Office of the County Recorder of the County of Nevada, on June 3, 1901.

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the County of Nevada, State of California, within ten days after the service on you of this summons—if served within this county; or within thirty days if served elsewhere.

You are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiffs will apply to the court for any other relief demanded in the complaint.

Given under my hand and the seal of the Superior Court of the State of California, in and for the County of Nevada, this 17th day of March, A.D. 1950.

Cancer Fund Campaign Ends on April 30th

TAHOE CITY— Mrs. John Burns, chairman of the local area in the Cancer Fund drive, reported this week that the drive ended officially on Sunday, April 30. With late donations still coming ing in and with consolidation of collections still to be done, final figures on the drive will not be available until later. Thanking all contributing individuals and organizations for their generous contributions, Mrs. Burns specifically named the Lake Tahoe Ski Club and the Women's Club of North Tahoe for their special generosity.

Stark Returns—

Rome Stark has returned to Lake Tahoe following winter employment in Tonapah, Nevada.

Prior to 1900 Imperial County was a desert waste.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe-Truckee Joint Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the "Owner" will receive up to, but not later than 8:00 P.M. on the 23rd day of May, 1950 sealed bids for the award of a contract or contracts for a new High School Building to be erected on the High School site which is located on the South side of U.S. Highway 40, approximately one mile West of Truckee, County of Nevada, State of California. Such bids shall be received at the Tahoe Lake Elementary School, Tahoe City, California, and shall be opened and publicly read aloud at the above stated time.

In accordance with the provisions of Section 1770 of the Labor Code, and local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	Per Diem Rate	Legal Holidays and Overtime
Boilermakers	$2.43	$19.44	4.86
Bricklayers	2.8125	22.50	5.625
Carpenters, LAKE TAHOE AREA	2.425	19.40	**
Cement Finishers	2.20	17.60	*
Electricians	2.50	20.00	5.00
Glaziers	2.04	16.32	***
Hod Carriers - Plaster and Brick	2.00	16.00	****
Iron Workers - Reinforcing	2.25	18.00	4.50
Iron Workers - Structural	2.50	20.00	5.00
Laborers - General	1.45	11.60	****
Lathers	2.75	22.00	5.50
Painters & Decorators Temporary	2.00	16.00	**
Plasterers	2.8125	22.50	5.625
Plumbers	2.50	20.00	5.00
Roofers	2.25	18.00	*
Sheet Metal Workers	2.30	18.40	4.60
Steamfitters	2.50	20.00	5.00
Tile Setters	2.25	18.00	4.50

Apprentices of any of the above crafts may be employed provided they are properly indentured to the contractors in full compliance with the provisions of Section 1777.5 of the Labor Code.

OVERTIME: SATURDAYS, SUNDAYS AND HOLIDAYS—DOUBLE TIME UNLESS OTHERWISE SHOWN.

*For the first two hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday or Holidays shall be paid for at the rate of double time.

**For the first four hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday and Holidays shall be paid for at the rate of double time.

***For the first four hours after the regular work day and Saturday morning, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday afternoon, Sunday or Holidays shall be paid for at the rate of double time.

****First four hours after eight hours of work Monday through Friday and eight hours on Saturday shall be paid for at the rate of time and one-half. All additional overtime worked on any said day by any employee shall be paid for at the rate of double time. Sundays and Holidays, double time.

Each bid must conform to the requirements of the plans and specifications and all other documents comprising the contract documents. The contract documents may be examined and copies obtained at the office of the Architect, Gordon Stafford, 1024½ Jay Street, Sacramento, California, upon deposit of $50.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the contract documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred percent (100%) of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and-or waive any irregularities or informalities in the bidding.

Dated this 26th day of April, 1950. WILLIAM RUTHERFORD
Clerk of the Governing Board of the Tahoe-Truckee Joint Unified School District, Counties of Placer & Nevada, California. a27m4,11

North Tahoe

by T. BURROUGHS

It's Spring? With all this snow? Yes, sir, and a young man's fancy turns to love, so say the poets. Could be. Norman Gullickson brings his bride to Tahoe after wintering where snow falls less frequently. Norman is co-owner with Julius Zuril of Twenty-Nine Pines Resort in Tahoe Vista.

You lovers of flowers and growing things will be glad to know that Kate Allen of Allendale Cottages will be willing to give you pointers on the care and planting of young plants. Remember those lovely flowers she produced last year. They're nicer than that this spring in spite of adverse weather conditions.

Tahoe's fishing season was launched last Saturday with success for a good many fishermen. A total of 55 fish, including three limits, were brought in at one pier. Another pier, owned and operated by Walter Fremeir, a rather recent Tahoe Vista resident, was the pulling in place for many more lucky fishermen. Several limits were reported.

Brockway Rotary Club program for last Monday night consisted of color film from the University of Nevada on natural resources, showing the beauties and diversified industry of that state.

Seventeen of the Kings Beach School children enjoyed a swimming party at Carson Hot Springs last Sunday with Mrs. Gil Ballard and Charles Chubb as chaperones.

Friday night, April 28, seven eighth graders, accompanied by Mr. Chubb, were guests at a get-acquainted dance given by students of the Tahoe-Truckee High School. Those attending from the Kings Beach area were Bill Port, Hugh Van Hooser, Mike English, Clyde Mandeville, Betty Meisenheimer, Delores Rood and Johne Rudolph. Local high school students in the party were Lois Preston, Tony Street, Diane Rutledge, Shirley Wagner and Steve Port.

Last week I told you that Bud O'Donnell was in the Veterans' Hospital at San Francisco. 'Tisn't so. He is at the Veterans' Hospital in Reno, where he will remain for some time.

Theresa Sutton is back from a term in a Reno hospital where she underwent surgery. Theresa wants to say "Thank you" to all those thoughtful friends who kept her supplied with flowers, cards and good wishes. So glad you're able to be at home again, Theresa.

Mrs. David Hall remains in Reno for a while after her stay at St. Mary's Hospital where she underwent surgery last Saturday.

Floyd Davis is the new operator of that service station next to Sorensen's Cottages at the Truckee short cut.

Returning to their Lake Tahoe homes and businesses during the past couple of weeks are Mildred and Monty Beasley of Beasley's Cottages and that dear little local lady known as "Miss Anne"—Mrs. Anna Blaue—who is 70 some years young and who would put us middle agers to shame with her ability as a globe trotter.

Bill Doughty of Van Nuys, a shingler, came to the lake a couple of weeks ago to ply his trade. Going to work within three days, all the world looked rosy until our May snows set in making Bill, among other workers, very unhappy for the moment.

A card from the P. R. Murrays reports that they will delay their return "until spring sets in".

Don't forget that dance at the Buckhorn Inn Saturday night, May 6. It is for little Dorothy Merce, you know. Tickets are on sale at local stores at $1 each.

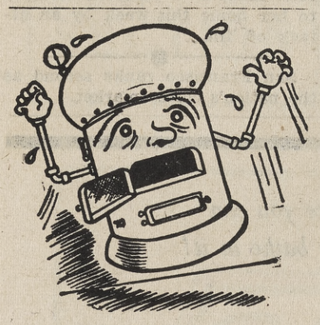
Good news for most resort owners is that the mail now goes out in the afternoon, giving us a little more time to get those answers to queries about vaation accommodations out the same day received.

Billy Page is carrying a bandaged hand around. Heard that he almost lot a thumb on a construction job. Sorry, Billy.

Mrs. Fred Rockholm writes that they are changing their address from Kings Beach to Lakeview, Oregon.

Mrs. Jessie Hale, who has been spending the winter in the east bay district, is returning to her Kings Beach home this week.

Miss Helen Walsh, well known beauty operator at Kings Beach, became the bride of John E. Heibel of San Francisco at a quiet ceremony performed by Rev. Brewster Adams at Reno on Monday, May 1. Mrs. Roxie Archie and her brother, Richard Joseph, of Truckee attended the couple. Following the nuptials, the party had a luncheon at a Reno hotel, followed by a dinner given by Mrs. Archie at the Gateway Motel in Truckee. Mr. and Mrs. Joe King, who had just returned from San Francisco, were among the guests. Mr. and Mrs. Heibel left Tuesday by airplane for the bay city where they will make their future home.



Is Your Heating System Clogged?

Then it's Wasting from 10% to 25% of your Fuel.

If your furnace is slow in heating, then it's a good chance the system is clogged.

Steam boilers and radiators clog up just like an auto radiator, or even like the human body itself. Rust, scale, muck and grease accumulate and prevent the proper flow of steam—and your radiators remain cold.

When this occurs, call our Skilled Serviceman for a HEAT-PEP reconditioning job—to put your system in tip-top shape, assuring uniform, constant heat, clean hot water and reduce your fuel bills to a minimum.

Phone today for a FREE INSPECTION of your heating plant and our Serviceman will call at once.

FLORISTON

by C. A. FELESINA

Ray Yurich is really going to town fixing his summer home here. This weekend sees the installation of an immense picture window facing the highway. When he gets through his place will be nearly all glass on the west side and will be one of the show places of Floriston.

C. Boyd of San Diego was a visitor at the H. C. Savage home. He is a friend of Mrs. Savage's brother-in-law in San Diego and when the highway department transferred him to this part of the country he immediately called at the Savages. He intends bringing his family as soon as school is out.

Recent visitors at the Jesse Marble home were his mother, Mrs. Lillie Marble, and his brothers, Elton and John Marble, of Loyalton and his brothers-in-law, Ruben Price and Bob Reed of Quincy.

Sheriff's Office Busy

Of 405 arrests made in Nevada County during the year ending March 23, 1950, 314 came to trial, according to Sheriff Richard W. Hoskins. Of these, 37 were heard in the Truckee justice court,

AMUSING, BUSY MEET HELD ON FRIDAY BY TAHOE LAKE PTA

TAHOE CITY— The election of officers meeting of the Tahoe Lake School PTA was held Friday afternoon, April 28, with 40 attending.

Members wore their own hat creations and competed with one another for the prettiest, funniest and most original headgear. Mrs. Tom Sheehan's Maypole hat was the prettiest, according to the judges. Funniest hats were the turban model of cabbage leaves trimmed with green onions, worn by Mrs. Westover, and the Mad Hatter hat of Mrs. Martin Spitsen. Three vied for honors in the most original class—Mrs. Steve Korich with a decked-out aluminum affair, Mrs. Landfehrs with a utility fishing tackle adornment and Mrs. Jake Stuart, sporting a neatly done waffle wrapped in clear cellophane.

Elections saw retention of most incumbent officers: Mrs. Richard Clark, president; Mrs. Ray Fellows, first vice president; Mrs. Phil Gallinger, second vice president; Mrs. Ivan Wilson, secretary; Mrs. Max Porter, treasurer; Mrs. Harold Stark, historian; Mrs. Al Henry Jr., parliamentarian; Mrs. Martin Spitsen, auditor. All of these were re-elections except the secretary and the treasurer.

Final plans and committee appointments were made for the big annual Spring Carnival which is now scheduled for June 3. Returns from the carnival will be spent principally toward acquisition of musical instruments for the school orchestra. Mrs. Roy Johnson is in charge of the carnival preparations.

An impromptu minstrel show went over with a bang that carried in enthusiasm to the nearby classrooms. Part of the evening entertainment at the carnival will include minstrel shows of the same nature. Assisting Mrs. Johnson on this phase of activities are Mrs. Landfehr, who is working on voice parts, and Mrs. Richard Boyce, who is working on the piano music.

The beautiful flowers, especially appreciated by Tahoe residents in and out from the snow, were sent by mail from Sacramento by Mrs. Verne Hoig.

Next meeting will be on Thursday, May 25.

Softening Water

The cost of softening a ton of water is about five cents. In contrast, savings in soap used in washing fabrics for a family of four in soft water can be as high as 75 per cent.

Martin Home Damaged As Stoorm Topples Tree

TAHOE CITY— The Stanley Martin home at Tahoe City suffered considerable damge during the recent heavy wind and snow storm when a large pine tree toppled over onto the bedroom. Fortunately no one was injured although the roof was shattered. The building is owned by the Sierra Pacific Power Company.

GOOD TRAINING IS GIVEN AT SCHOOL BY CADET CORPS

The California Cadet Corps, in its second year at Tahoe-Truckee High School, has made great strides toward becoming an extremely valuable part of the educational system here. Through the use of Army audio-visual supplies, uniforms, rifles, etc., the program has taken on a new lustre as a course at school.

The subject matter of the course has not been entirely militaristic. Such subjects as map reading, first aid, aircraft identification, personal hygiene, community health, drill, rifle marksmanship, manual of arms and life saving are covered during the year. Leadership, fellowship and cooperation are the main stress of the course.

The cadets are looking forward to the summer encampment at San Luis Obispo where they will undergo further training, as well as take part in recreation and social life offered at the camp.

The following is a list of the personnel of the Cadet Corps here at the high school:

Regional director, Lieut. Col. Webb, Army Reserve; Commandant, Lt. Arner Gustafson, Nat'l Guard; Sergeant, Steve Port; Corporals, Bob Eccleston, Ray Crandall, Mike Goicoa; Privates, Irwin Rosenblatt, Ray Sorensen, Fred Holt, Cliff Dockham, Jim Dickow, Bob Chaplain, Dallas Marquis, Willard Painter, Howard Painter, Marvin Parkhurst, Dael Rich, Joe Copeland, Joe Garcia, Bill Miedema, Mike Brown, Chuck Jolley.

March Traffic Here Shows Normal Rise

Travel into California by way of Truckee continued to show the normal seasonal increase during March, according to a report from the state department of agriculture which maintains a record at the quarantine station east of here.

During March, 14,738 automobiles, 2,274 commercial vehicles and 506 stages, with a total of 47,246 passengers, were reported cleared through the local station, the report shows. These figures do not include local vehicles and reflect only west bound cars and trucks.

At Stateline on Highway 50, 2,537 cars, 132 commercial vehicles, and 28 stages carried 6,545 passengers, the same report indicated.

The Truckee station was fifth in the state, being exceeded by Yermo, Blythe, Fort Yuma and Hornbrook. The total number of cars entering the state during March was 124,655 and the passenger total from all vehicles was 368,784, the report said.

Hooper Here—

Coroner Alvah Hooper is visiting here today from Grass Valley.
